Can we contact you to appear in court for the violations noted? Yes No

Complainant's Signature _____

All complaints should be made in writing and filed with the Planning Commission office. The office can only respond to your complaint if the requested information on this form is provided.

Please complete and return this page to planning@co.hamblen.tn.us for review and processing.

The purpose of the Property Maintenance Enforcement is to protect the health, safety and welfare of the public by regulating and governing the conditions and maintenance of all property, buildings and structures; by providing the standards for supplied utilities and facilities and other physical things and conditions essential to ensure that structures are safe, sanitary and fit for occupation and use.

If you feel that a violation exists, please fill out a Complaint Form so that the Property Maintenance Office can investigate the alleged complaint. If a violation exists, enforcement actions such as a warning, notice of violation, citation etc. will be issued to the property owner requiring them to correct the violation.

Procedure for filing a Complaint:

1. Please complete the applicable fields of the form in its entirety.
2. Be sure to include your name, address and phone number.
3. Be sure to include the Location of the property in question.
4. Be sure to include the explanation or list of concerns. Please be specific.
5. Be sure to indicate on the form by circling yes or no, whether or not County personnel may enter your property to observe the alleged violation and whether or not you consider being a witness in court.

Why a written form?

It is not accurate or efficient for Hamblen County personnel to properly convey your specific concerns to the Code Enforcement Officer regarding another person's property. Things reported over the phone can be misinterpreted or misconstrued and or items could unintentionally be left out from the complaint. It is important that the complainant convey his/her specific concerns in his/her words on the Complaint Form. The form creates a record that the complaint was officially filed and establishes the potential investigations initial information.

Why is my contact information required?

Contact information is required should the Code Enforcement Officer need additional information, need to follow up with the complainant, and to check for status updates in certain circumstances where violations are not visible from public areas etc.

A form is considered incomplete if it does not contain all of the information required. The complaint form should not be abused by residents otherwise involved in disputes with neighbors as a way of retaliation. All complaints shall be legitimate code related complaints. Falsification of information or incomplete complaint forms may be rejected.

All complaint forms remain anonymous to the general public. It is possible in certain situations your testimony may be required in court; however, that circumstance is rare and only requested when absolutely necessary.

Violations Not Enforceable by the Property Maintenance Office

The following violations are not within the jurisdictional authority of the Property Maintenance Office.

1. **Subdivision Covenants**-Violation of Subdivision Restrictive Covenants.
2. **Trees, Tree Branches or Bushes**-Trees that overhang on neighboring property or similar circumstances are a civil matter.
3. **Alleged Interior Violations**- At this time, the office will not pursue alleged complaints on the interior of a property.
4. **Trash Can's Placement**-All issues relating to trash can placement are under the authority of the Hamblen County Road Department at 586-3273.
6. **Vacant Lots**-At this time, the office will not pursue alleged complaints regarding grass and weeds on vacant lots.
7. **Tenant/Landlord Disputes**-Complaints regarding lease obligations or rental payments are civil in nature and not under the jurisdiction of the county.
8. **Animal Complaints**-Complaints regarding animals must be filed with the Animal Control at 581-1494.
