**Sealed Bids for construction of the HAMBLLEN COUNTY JUSTICE CENTER in Morristown, Tennessee from pre-qualified contractors will be received at the Hamblen County Mayor's Office, Attn: Johnna Harrell, 511 West Second North Street, Morristown, TN 37814 (UPS & FedEx and hand delivery).**

**Bid Form – Part I will be received until 2:00 p.m., local prevailing time, and be held until Bid Form Part II is received. Bid Form – Part II will be received until 3:00 p.m., local prevailing time, October 14, 2021, then both Bid Form Part I and Part II will be publicly opened and read immediately thereafter.**

**Hamblen County will conduct the bid opening via live stream only over Zoom. Bidders hand delivering their bids will be allowed to view the opening in a large conference room set up for that purpose.**

- **Prior to the bid opening a link for the Zoom meeting will be emailed to registered plan holders and posted on Hamblen County's website.**
- **A blank bid tab summary will also be distributed to registered plan holders in the same manner.**
- **The live stream bid opening will be conducted in a manner that shows all bids were received in sealed packages and were unopened prior to the bid opening.**
- **During the bid opening, Hamblen County will have no less than two (2) staff members present in the room. (\*AD 01)**

Bids received after the announced time and date for submittal, whether by mail or otherwise, will be rejected. Bidders are responsible for ensuring their Bid is received before the deadline indicated. Bids submitted by telephone, email, text message, or facsimile shall not be accepted.

The Work generally consists of a new justice center approximately 199,000 square feet. The detention portion of the project is four stories and includes precast concrete wall panel construction with steel framing, interior CMU partitions, TPO roofing, architectural casework, detention equipment, security electronics, and finishes typically associated with a new detention center. The courtroom/administration portion of the project is one story and includes metal stud and brick veneer wall construction with steel framing, interior metal stud partitions, TPO roofing, architectural casework including courtroom casework, security electronics, and finishes typically associated with a new courthouse. The project includes a kitchen, laundry, vehicle sally port, intake/booking, steel cells and two courtrooms. Sitework includes stormwater management, sidewalks, parking lots, grading, and fencing/gates. Structural work includes steel micropiles, concrete mat foundations, soil cement modified subgrade, structural steel framing and precast concrete. Mechanical work includes ductwork, plumbing, sprinkler system, smoke control system, controls, and roof top units. Electrical work includes panelboards, lighting fixtures, fire alarm, emergency generator, power, technology wiring and infrastructure; and security systems (cameras, intercoms, duress, door controls, and touchscreens).
